

SCIENTIFIC PROGRAM

FRIDAY, March 29, 2019

- 08:00-17:00 **Registration**
- 08:30-09:00 Opening of the Symposium
Welcoming addresses by president of ICDRG, president of the Croatian
Dermatovenerological Society and Symposium president

SESSION 1: DIAGNOSTIC TESTS FOR CONTACT DERMATITIS

Chairpersons: Jasna Lipozenčić (Croatia), An Goossens (Belgium)

- 09:00-09:15
Guidelines for diagnostic patch testing – recommendations on best practice
Wolfgang Uter (Germany)

- 09:15-09:30
Indications for patch testing
Thomas Rustemeyer (The Netherlands)

- 09:30-09:45
Patch testing of patients' own materials
Vera Mahler (Germany)

- 09:45-10:00
Interpretation of positive patch test reactions and clinical relevance
An Goossens (Belgium)

- 10:00-10:15
Photopatch testing
Margarida Gonçalo (Portugal)

- 10:15-10:45 **Discussion**

- 10:45-11:15 **Coffee and refreshments**

- 11:15-11:45 **PLENARY LECTURE 1: OCCUPATIONAL CONTACT DERMATITIS**
Magnus Bruze (Sweden)

- 11:45-12:15 **PLENARY LECTURE 2: PREDICTIVE FACTORS FOR OCCUPATIONAL
CONTACT DERMATITIS**
Swen Malte John (Germany)
Chairpersons: Rosemary Nixon (Australia), Alicia Cannavó (Argentina)

SESSION 2: CLINICAL FEATURES OF CONTACT DERMATITIS -part I

Chairpersons: Jean-Marie Lachapelle (Belgium), Višnja Milavec Puretić (Croatia)

12:15-12.30

Microexamination of the hands

John McFadden (United Kingdom)

12.30-12:45

Air-borne contact dermatitis

Kaushal Verma (India)

12.45-13.00

Phototoxic and photoallergic dermatitis

Pailin Puangpet (Thailand)

13.00-13.15

Noneczematous contact reactions

Chee-Leok Goh (Singapore)

13.15-13.30

Contact allergy in children

Nives Pustišek (Croatia)

13.30-14.00

Discussion

14.00-15.00

Lunch break

SESSION 3: CLINICAL FEATURES OF CONTACT DERMATITIS -part II

Chairpersons: Francesca Larese Filon (Italy), Jeanne Duus Johansen (Denmark)

15.00-15.15

Systemic contact dermatitis

Alicia Cannavó (Argentina)

15.15-15.30

Anogenital contact dermatitis

Suzana Ljubojević Hadžavdić, Mihael Skerlev (Croatia)

15.30-15.45

New allergens in contact dermatitis

Mihály Matura (Sweden)

15.45-16.00

Pigmented contact dermatitis

Kayoko Matsunaga (Japan)

16.00-16.15

Occupational UV exposure and risk of skin cancer

Thomas Diepgen (Germany)

16.15-16.30

Alkyl glucosides, emergent allergens

Denis Sasseville (Canada)

16.30-17:00

Discussion

17:00-

WELCOME NETWORKING

SATURDAY, March 30, 2019

08:00-16:00

Registration

SESSION 4: ALLERGIC CONTACT DERMATITIS RELATED TO SPECIFIC EXPOSURES

Chairpersons: Klaus Ejner Andersen (Denmark), Branka Marinović (Croatia)

09:00-09:15

Nanotechnology and contact allergy

Klaus Ejner Andersen (Denmark)

09:15-09:30

Fragrance allergy

Melanie Pratt (Canada)

09:30-09:45

Contact allergy to the preservatives methylchloroisothiazolinone and methylisothiazolinone

Jeanne Duus Johansen (Denmark)

09:45-10:00

Metal allergy

Jun Yong Lee (South Korea)

10:00-10:15

Textile dye allergy

Marléne Isaksson (Sweden)

10:15-10:30

Discussion

10:30-11:00

Coffee and refreshments

SESSION 5: DIFFERENTIAL DIAGNOSIS, PREVENTION, EDUCATION AND TREATMENT OF CONTACT DERMATITIS

Chairpersons: Lieve Constandt (Belgium), Thomas Diepgen (Germany)

11:00-11:15

Differential diagnosis and pitfalls of contact dermatitis

Cecilia Svedman (Sweden)

11:15-11:30

Patient education in the patch test clinic

David Orton (United Kingdom)

11:30-11:45

The management of contact dermatitis

Thomas Diepgen (Germany)

11:45-12:00

Prevention of hand eczema: gloves, barrier creams and workers' education

Rosemary Nixon (Australia)

12:00-12:30

Discussion

12:30-13:30

Lunch break

13:30-14:00

PLENARY LECTURE 3: MANAGEMENT AND TREATMENT OF CHRONIC URTICARIA

Suzana Ljubojević Hadžavdić (Croatia)

Chairpersons: Ružica Jurakić Tončić (Croatia)

Cecilia Svedman (Sweden)

SESSION 6: URTICARIA AND ANGIOEDEMA

Chairpersons: Mirna Šitum (Croatia), Iris Ale (Uruguay)

14:00-14:15

Pearls and pitfalls of skin prick testing

Iris Ale (Uruguay)

14:15-14:30

Contact urticaria

Kayoko Matsunaga (Japan)

14:30-14:45

Inducible urticarias

Liborija Lugović Mihić (Croatia)

14:45-15:00

Diagnosis and treatment of hereditary and acquired angioedema

Asja Stipić Marković (Croatia)

15:00-15:15

Treatment of chronic spontaneous urticaria with omalizumab

Ružica Jurakić Tončić (Croatia)

15:15-16.45

Discussion

20:00-

SYMPOSIUM GET-TOGETHER

SUNDAY, March 31, 2019

09:00-11:00

Registration

09:30-10:00

PLENARY LECTURE 4: THE MANAGEMENT OF ATOPIC DERMATITIS – FROM EMOLLIENTS TO BIOLOGICS

Kathy Chien-Hui Hong (Taiwan)

Chairpersons: Chairpersons: Nives Pustišek (Croatia), Aleksandra Dugonik (Slovenia)

SESSION 7: ATOPIC DERMATITIS

Chairpersons: Sanja Kezic (The Netherlands), Mihael Skerlev (Croatia)

10:00-10:15

Biomarkers in atopic dermatitis - why do we need them?

Sanja Kezic (The Netherlands)

10:15-10:30

Contact sensitivity in atopic dermatitis patients

Radoslaw Śpiewak (Poland)

10:30-10:45

Characteristics of atopic dermatitis in children

Slobodna Murat Sučić (Croatia)

10:45-11:00

Characteristics of atopic dermatitis in adults

Iris Ale (Uruguay)

11:00-11:15

Differential diagnosis and pitfalls of atopic dermatitis

Aleksandra Dugonik (Slovenia)

11:15-11:30

Discussion

11:30-12:00

Coffee and refreshments

SESSION 8: ADVERSE DRUG REACTION

Chairpersons: Asja Stipić Marković (Croatia), Irena Ivković-Jureković (Croatia)

12:00-12:15

Types of adverse drug reactions – clinical pictures

Marinko Artuković (Croatia)

12:15-12:30

Diagnosis of drug hypersensitivity reactions

Irena Ivković-Jureković (Croatia)

12:30-12:45

Adverse reactions to vaccines

Darko Richter (Croatia)

12:45 -13:30

Discussion

13:30

Closing Remarks
